THE DEPUTY DIRECTOR OF CENTRAL INTELLIGENCE

7 July 1976

Mr. George D. Walker
Ampex Corporation

Bethesda, Maryland 20034

Dear George:

Thank you for your letter of 1 July. I too was surprised by The Washington Post picture you mentioned. I really wasn't aware that I had anything to smile so broadly about. But, if the spirit can help move this place into a new and better future, I am all for it.

I certainly was glad to hear of your new position. It sounds both important and interesting and we wish you all the best in it.

Faithfully yours,

E. H. Knoche
